January 17, 2021

### 4K and Kindergarten Registration

4K & Kindergarten registration for the 2021-22 school year will be the week of February 1-5, 2021, between the hours of 9:00 am and 3:30 pm. Registration will be held in the Auburndale Elementary School office.

For 4K, your child must be 4 years old on or before September 1, 2021. For Kindergarten, your child must be 5 years old on or before September 1, 2021. Bring your child's birth certificate and immunization record with you. Your child does not have to be present for registration. If your child is already in our 4K program this year, do not register them for Kindergarten. They are already registered.

Please wear a mask as you enter school. Thank you.

### Auburndale Community Scholarships

The Auburndale Community Scholarships will be available for our 2021 Auburndale Seniors on Monday, February 1st. Students can access the scholarships from our school website [www.aubschools.com](http://www.aubschools.com)

### Senior Portraits Are Due March 31

Seniors can submit two high-quality photos; one for the yearbook and another photo for the graduation slideshow. Email photos to [yearbook@aubschools.com](mailto:yearbook@aubschools.com), or bring in the flash drive or disk, attention Yearbook/Kelly Drevlow. The photo chosen for the yearbook should be vertical/portrait orientation, without any borders, or name stamps. Baby photos are also due March 31; you may email them as well or if bringing in a hard copy, please make sure your name is on the back of the photo or in an envelope or baggie with your name on it.

### Finish Your Medications, Even If You Feel Better

You have always been told to finish your antibiotics even if you are feeling better, but do you know why? Basically, it is to make sure the bacteria is dead. If you do not complete the treatment, you are only weakening the bacteria; they can adapt and get stronger which can cause a reinfection and make the bacteria resistant to the medications that are currently working against them. Let's make sure our future generations are protected and complete our medications as prescribed.

Friday  
1/15/21
