## Summer School

If you signed up for summer school, you will be receiving confirmation of those classes soon. If you have signed your child up for classes, please make sure they attend, or cancel ahead of time. We have a waiting list for many of the classes. Please call: 715-652-2812, ext. 1520 with your cancellations.

## School Staff Are Very Special People

During the week of May 6-10, we will be honoring staff members by celebrating Staff Appreciation Week. We use this week to pay tribute to the dedication of the men and women who lend their skills to educating our children. It is during this week that we want to show our appreciation and offer the special thanks that our school staff so richly deserve.

## Elementary Awards Program

Each spring we end the school year by having an awards program. The program acknowledges students who have excelled in a variety of areas. Here is a list of some of the awards given out:

- Citizenship Award
- Most Improved Reading
- Top Reader Award
- Spelling Bee Participants
- Other various awards

Parents are welcome to attend this program. This year's program is on May 31, at 8:30 a.m. in the gym.

## Field Day

Our 13th annual Auburndale Elementary Field Day is quickly approaching! This year's field day will be held on May 28th. The younger students will have their events in the morning (9:30-11:30), with the older students gearing up for some fun in the afternoon (12:00-2:30).

Parents and families are invited to

watch, but please arrive prior to the start of the events so that vehicles are parked safely out of the way.

Students are encouraged to bring water bottles, but please make sure they are labeled with your child's name. Also students might get a little wet pending the weather from some water games!

We need your help! If anyone is interested in helping with set-up, clean-up, or team supervision please contact Mr. Novitzke or 715-652-2812 x1536. Thanks and see you on the 28th.

### **Field Trips**

With the end of the school year approaching, you've probably noticed the calendar is filled with student field trips throughout the month. This isn't because we've just given up teaching; there are some valid reasons for this.

Most of the field trips scheduled for May are related to outside activities. Living here in Wisconsin, we all know that it can be 40 degrees one day and 80 degrees the next. Having field trips in May increases the chances for good weather, and safe travel.

If you have any questions about these trips, please contact your child's teacher.

### **School's Out!**

The last day of school for students is Friday May 31. It will be a full day of school.

### **Culver's Night**

The elementary school will be hosting Culver's Night in Marshfield on May 15. Elementary staff will be working shifts from 5-8 pm to hand out trays or take orders to vehicles in the drive-through. Also, if you mention your child's teacher to the clerk, the winning class will have a Culver's Custard Party. The school will receive 10% of ALL sales from 5-8 pm.

**HAVE A GREAT SUMMER!**

**READ ALL SUMMER LONG!**

**ALWAYS SHOW GOOD CHARACTER!**
