

Community Survey RESULTS ARE IN!

The School District of Auburndale gave the community an opportunity to provide feedback and direction on how to address existing facilities needs throughout our District through a **district-wide community survey**. The results are in and will be used to guide the District's future facilities planning.

Who Took The Survey?

THANK YOU

to all community members who
participated in the survey!

You Told Us...

The **majority of respondents** would support the proposed base plan of a **\$6.9 million** investment in our buildings, which includes:

Auburndale Elementary School

- › Update infrastructure and building systems that have exceeded service life
- › Renovate main restrooms to address ADA compliance
- › Modify the Little Theater to create a multipurpose space
- › Upgrade playground equipment

Auburndale Middle/High School

- › Update infrastructure and building systems that have exceeded service life
- › Renovate and expand Technical Education, Agriculture and FACE classrooms to provide access to current equipment and job-like experiences
- › Renovate main restrooms to address ADA compliance
- › Improve the parking lots

Respondents recommended the District address the projects below as **future considerations**:

- › Middle/High School Science Lab
- › Middle/High School Cafeteria Expansion
- › Health Sciences Learning Center
- › Dedicated District Office
- › Improved Performance Space

63%

of all respondents would support an additional \$200,000 in the operating budget to maintain current programs and services.

Detailed survey results are available on the District website:
