

Booster Club meeting minutes 8/2/17 6pm

amashak@aubschools.com

Attendees: Kate Schmutzer, Amy Stanton, Kim Lau, Kelly Aue, Susan Yeske, Betty Strub, Jessie Bauer

No previous minutes available

Treasurer report – check book balance \$5,353.69

General savings - \$21,619.57

Bleacher Fund - \$12,384.48

Welcome to new Athletic Director Alex Mashak (amashak@aubschools.com)

No funding requests

Received thank you notes from Girls Softball team in appreciation of the sliding mats, pitching mats and fielders masks. Also from Jim Castellano for the Booster Club support this past year.

Committee Reviews:

Clothing store open on-line, Jon (Design Monkey) needs to get new items for fall on it yet. Sue Richardson may be able to send Remind to school district to check store again once Jon gets the stuff on-line.

Concessions – need new roaster – motion made by Susan to pick up new roaster, 2nd by Amy all in favor to have Betty pick one up

Indoor – use to be A Club, but nothing else going on with it anymore, is booster club interested in running stand for winter season and opening it up to school clubs that may be interested in taking a night for a fundraiser. Maybe it could have a set amount that we would say would be donated to that group, kids can use it also for service hours. Would we approach every club, supply kids & supervisor –could this come down from Mr D as a club requirement? Each club has so many concession stand they need to cover in school year? Who will get set up the stand, order the food, get the clubs set up? Figure about 20 games in winter, fall vball 6 home. Table at this time – Alex Mashak will have a separate meeting with club to try and decide what to do for the winter. Group decided to at least help out for the fall sports indoor concessions. No commitment made on winter season at this time. For the first vball match on Aug 24th Jessie will see if Senior class officers will work stand, Sept 7th Kelly & Amy, plus some others to cover.

Cross country meet will be out to Frye Farm again this year, school forest will not be ready yet. Oct 3 Concession will be needed out there again; Amy, Mark, Jessie

Old Business:

No by-laws

No new bleachers this year. Press box almost done, Mr. Mashak said should be able to host playoff game, can bring bleachers from park if need more seating to host.

Idea to raffle off suite seats if there is an opening in the press box window – to help raise \$ - Mr. Mashak to try and figure out when may media there, because if not there, then we could raffle that section off. Could also have one group of kids to run up and down for food for those people too; full experience.

Cart for tent, was one purchased yet, approval done? Check back to see if motion done prior (Mark may know as well) - if not Kate made a motion to proceed with purchase of cart and, Kelly 2nd

Donation board – Kelly has few need to be moved and added, Kim will check with Stratford Signs about this.

New gym score boards not working great, possibly replace all together? Sponsor scoreboards; table at this time until after football season gets under way.

Calendars brought about \$4200 in donations for them, we are working with Heinzen, probably won't be ready by first football game, but should be ready by 2nd home game – ordering 150 big ones, 50 of each smaller size. About \$1300 to print

Concession stand makeover – Mark not here to update

Homecoming – Tailgate again Oct 13th – decide what to do – put on Sept agenda

Scholarship committee – Kelly Aue, Amy Stanton,

Kelly make motion to adjourn at 7:06, 2nd Amy – all in favor meeting adjourned
