A motion was made to approve the treasurer report by Susan Yeske and 2nd by Cheryl Krings; all in favor.

Checks were presented to the club from Kim Lau, Susan Yeske, Kate Schmutzer, and Cheryl Krings from the Marshfield Clinic for their volunteer efforts this past year. Each check was for \$150.00.

Clothing store still open. It would be nice to have link on main page of the website that you could click on to go directly to the store when it's open- Kim Lau will ask Sue to add note in signal about store still being open.

Kim Lau had a print out for banners that will be hanging in the gym, we need someone to double check all the dates, a suggestion was to give to each varsity coach of each sport to double check dates before we get them printed for the gym.

Concessions: 6pm Nov 8th Clean outside stand, bring in microwave and possibly bring in freezer to use inside storage room for the winter months.

Feedback from clubs that the \$150 too low – we are nonprofit, money goes back to school, maybe get service hours as well as club getting the \$150? Also, maybe nice to have a contact list on who to go to if need additional supplies to hang in stand. Pepsi – will keep them for an account so we don't lose them.

Homecoming: tailgate update – chili dump not good turnout; maybe due to nice weather? Look to change for next year.

Donation board – not done yet

Score Board: Dawn Zieher worked up donation sheet, maybe we can add a cover letter to send with letter – Dawn will work on cover sheet to send out.

New Business: Income ideas: Calendar raffle for Xmas – who sells, use volunteer hours or use towards top sellers. Might be too hard for Xmas this year, maybe for Easter or Spring. Aimee Stanton to check into what we need to do to be able to sell them.

A motion made by Kate Schmutzer to adjourn meeting, 2nd by Dawn Zieher; all in favor
